

IT'S THE LAW!

It's a criminal offence for anybody to carry out "Gas Works" other than a Registered Gas Installer (RGI)

If you are Purchasing a Gas Appliance or Part then a Registered Gas Installer (RGI) must install it and issue a certificate for the work.

It's a criminal offence to describe yourself as a Registered Gas Installer (RGI) or in a manner likely to suggest you are Registered Gas Installer (RGI) unless you are a Registered Gas Installer (RGI)

A full list of Registered Gas Installers is available at www.rgii.ie
or by calling 1850 454454 or 014997998
